

WELCOME TO

The NORLAND — HISTORIC ESTATE VENUE —

We are so excited for your engagement! Choosing to spend the rest of your life with another person is such a beautiful and monumental experience. Where you choose to make that commitment with your closest family and friends is such an important decision and we are so honoured that you have decided to consider The Norland Historic Estate for your venue choice.

A unique landmark, this Southern Colonial house reflects the origins of Charles Roland Daniel and his wife Maurine. Ordered from a lumberman's catalogue the structure was shipped to this location, beginning assembly in 1909.

After extensive renovations in 2019, we have been able to add on a beautiful 6300SF ballroom that perfectly matches the original beauty of the mansion. This allows us to host up to 300 of your guests in an enclosed space bordered with floor to ceiling windows.

The mansion itself is perfect for wedding day preparations, photos, & an overnight stay once the day is done!

Our team of experienced wedding professionals are here to guide you through the entire process. Our deep roots in the local hospitality industry allow us to bring you a spectacular event that will be sure to wow both you and your guests!
